## What Makes Bambino's Different

### All In-House

No field trips. No buses. Every activity happens right here in the environment your child already knows and loves.

### Whole-Child Focus

Science, art, cooking, nature, movement, culture, engineering, storytelling & a Camp Olympics finale — not one specialty, all of them.

### Familiar & Safe

Your child attends in the same warm, structured environment they thrive in all year. Familiar faces, trusted space.
